TESTIMONY FORM

Acts 4:10b It is by the name of Jesus Christ of Nazareth,ⁱ whom you crucified but whom God raised from the dead,ⁱ that this man stands before you healed.

Please share the details of your testimony:

My testimony has to do with the accuracy of a two-part prophetic word given to me, John Lankenau, on 22 June 2009 by Mike (the youth pastor).

The first part of the word Mike asked if I had back problems, that he had felt something in his spine. I replied that my wife had back problems. (My wife has had one surgery to remove a cyst and two administrations of a series of three spinal injections each to reduce inflammation.) So, Mike asked God to heal my wife's back. My wife's back is not noticeably changed yet, but the word identifying the problem was "spot on."

The second part of the word was that something had been recently cut off, something that I had always had. Mike went on to say that God was going to re-form it. I replied that my job had recently changed in that the Government VH-71 Presidential Helicopter Program I worked on at Bell Helicopter had been terminated. I subsequently volunteered to be laid off and my last day will be October 3rd, 2009. I volunteered to be laid off because for a long time I have wanted to enter "retirement" early and develop a Christian car ministry idea I believe the Lord has birthed in me. This word was also "spot on."
