

From David Bonham - Back Healed!      May 2009

I'm sorry, I'm not sure if I replied already, but yes, I did receive some healing last Sunday. Saturday, my back was locked solid, and I couldn't bend over. So when Michael Miller said "people who couldn't bend over" that was all I needed to hear.

So after prayer on Sunday morning, I felt great. Not only that, I played a round of golf on Sunday and then again on Monday afternoon!!!! Amazing!

Not sure if golfing was quite the sensible thing to do, but my back felt great...

Thanks,
