

On Sunday February 15 2009 Michael Rowntree had a Word and Vision specifically detailed by the Lord, and quite personal for me and very encouraging as well.

The Lord had shown him that I had gone through a great deal of persecution and that this persecution was coming in particular from Religious Spirits. He said the Lord had given him a vision of a Jar of Water with Rocks being put into the jar and the water was splashing out, he said that it seemed strange to him, but nonetheless he would speak what he saw. He also stated that as the Water was being splashed out that it would produce a greater level of fruit in my life.

He had asked me if this was relevant to me, I believe that it is.

Michael,

The part about persecution was right on, dealing with "religious spirits" while being told that I must keep the prophetic word to myself, and not being allowed to release it can become somewhat frustrating at times, almost leading up to depression.....But none the less, I press in and continue forward amen. The part you said concerning the container and the rocks and the water, yes I am splashing out

As I began to seek the Lord about the Word and Vision from Sunday, very specific and interesting Prophetic Symbolism by what you saw, for this season of my life.

Jar- Vessel=Person Jeremiah 18:1-4, 2 Corinthians 4:7

Water = Holy Spirit / Everlasting Life John 7:39, 4:14, Rev. 22:17, Eph. 5:26

Rock = Jesus/truth 1 Corinthians 10:4; Isaiah 8:13, 14; Romans 9:33; Matthew 7:24

Fruit = Works / Actions Galatians 5:22

I hope that this is sufficient for you. I am pumped to say the least, and look forward to the Kingdom of God Increasing, through the Prophetic Release at Wellspring.

Kingdom Regards,

Tim Entrekin
